## EC – CERTIFICATE OF CONFORMITY

**1301 – CPD – 0760**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

### **Prefabricated wooden log houses**

intended for the construction of residential buildings and cottages, as well as shops, hotels, restaurants and other commercial buildings. The suitability of intended use is considered individually according to the standards and law regulations valid in the country of log house kit use. The number of full storey of the log building kits is generally one or two,

placed on the market by the manufacturer

**BPP, s. r. o.**  
**Cesta ku Smrečine 5, 974 01 Banská Bystrica**  
**Slovak Republic**

and produced at the manufacturing plant

**BPP, s. r. o.**  
**Cesta ku Smrečine 5, 974 01 Banská Bystrica**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the Notified body No.

**1301 - Technický a skúšobný ústav stavebný, n. o.**

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the

**ETA – 12/0031**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 10 April 2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Bratislava, 10 April 2012
